## Meet Colton C. Gits, MD

Dr. Gits is a board-certified radiation oncologist practicing at MRO | North Memorial and MRO | Methodist. He is experienced in treating patients with a wide variety of cancers, using the latest techniques such as stereotactic body radiation therapy (SBRT), stereotactic radiosurgery (SRS), intensity modulated radiotherapy (IMRT), brachytherapy, and others. During each new patient encounter, he reviews the latest evidence and research to provide options and to deliver the highest quality care. Dr. Gits builds relationships with patients and strives to empower them to understand their cancer treatment.

Outside of work, Dr. Gits enjoys the many outdoor activities the Twin Cities have to offer, including biking, running, and kayaking, as well as cooking and gardening.

## What to Expect

At MRO, we specialize in one thing: providing patients access to the advanced cancer therapy they need to fight cancer close to home.
