

Raul Fernandez-Gonzales, MD ***Radiation Oncologist***

“Radiation oncology is my passion, as is helping others. I have a multi-cultural background and I understand how differently diverse cultural groups approach a cancer diagnosis. My goal is to offer in a compassionate manner the best care that is appropriate and relatable to my patients’ needs.”

Professional Education

Residency, Radiation Oncology,
University of Minnesota, Minneapolis, MN

Internship, Louisiana State University,
Baton Rouge, LA

Medical School, University of La Salle
Medical School, Mexico City, Mexico

Compassionate Care

Few things are as scary as learning you have cancer. At MRO, we turn fear into confidence, with the passion of our care team, the power of our precision radiation technologies, and the strength of our collaborative approach to healing. You can count on the specialists at MRO to be there for you and give you every advantage in your fight.

Meet Raul Fernandez-Gonzalez, MD

Dr. Raul Fernandez-Gonzalez is a board-certified radiation oncologist with over 15 years of practice at MRO | Radiation Therapy Center at Fairview Ridges Hospital in Burnsville. His wide range of practice areas include breast and lung cancers, brain tumors, gastrointestinal cancers, prostate cancer, and head and neck cancers. He is experienced in external beam radiation therapy, stereotactic, intensity modulated radiation therapy, HDR brachytherapy, image-guided radiation therapy, stereotactic radiosurgery, and stereotactic body radiotherapy. Dr. Fernandez is fluent in Spanish.

In his free time, Dr. Fernandez enjoys spending time with family and traveling.

What to Expect

At MRO, we specialize in one thing: providing patients access to the advanced cancer therapy they need to fight cancer close to home.
