

MRO | The right choice

Why our APEX®-Accreditation for Excellence is important to you.

The leading provider of radiation treatment for cancer with 11 convenient locations across the Twin Cities, Brainerd Lakes, and Western Wisconsin.

MRO | NORTH MEMORIAL
3435 WEST BROADWAY
ROBBINSDALE, MN 55422
763-521-1426

MRO was awarded APEx[®] accreditation by the American Society of Radiation Oncology (ASTRO) for meeting highest standards of patient care and safety.

At MRO, patients can have confidence that they will receive the advanced radiation treatment they need, with quality patient-centered care.

How APEx accreditation is awarded.

The ASTRO Accreditation Program for Excellence (APEx) is a rigorous peer review process by trained radiation oncology professionals, measuring performance in patient care:

1. The process of care
2. The radiation oncology team
3. Safety
4. Quality management
5. Patient-centered care

“ Since 1981, MRO’s vision has been clear. Specialize in one thing – fighting cancer with advanced technology and providing our patients with the highest standard of care.”

Dr. Kurt Nisi

President, Minneapolis Radiation Oncology
