Meet Stephanie Childs, MD

Dr. Childs is a board-certified radiation oncologist. Her areas of practice include breast and lung cancers, brain tumors, gastrointestinal cancers, prostate cancer, and head and neck cancers. She is experienced in external beam radiation therapy, intensity modulated radiation therapy, HDR brachytherapy, image-guided radiation therapy, stereotactic radiosurgery, and stereotactic body radiotherapy.

Outside of work, Dr. Childs plays the violin, and enjoys books, art, tennis, and gardening. She is the mother of three young boys.

What to Expect

At MRO, we specialize in one thing: providing patients access to the advanced radiation therapy they need to fight cancer close to home.
